

Providence Police Department's Alert Network Overview

Instantaneous and proactive communication from local law enforcement to you

Citizen Observer is a completely secure communications tool that allows the Providence Police Department to instantly update citizens about crimes, emergencies and other important information.

The Alert Network is a safe and effective way for the public to share tips directly with the Providence Police Department. Any information given by the public will be sent to the investigative division with complete confidentiality. All Alerts are delivered via **e-mail** and are also available via **text message** on your cell phone.

- **Citizen Alerts** inform all registered users of public safety concerns in your area. The Alerts contain information about crime trends, descriptions of suspects, missing persons, as well as advice on personal safety, and how to safeguard property.
- **Business Alerts** are targeted to specific business types, so your business will receive information about crimes that are pertinent to your business type.
- **Case Alerts** allow law enforcement to automatically disseminate information about open cases to all registered Citizen Observer users.
- **Watch Group Alerts** allow law enforcement to send targeted alerts to specific neighborhoods with information about crimes that are happening in their immediate area.
